Re: Enterprise Park at Calverton

Dear Ms. Fagan:

Thank you for requesting the comments of the Division for Historic Preservation of the Office of Parks, Recreation and Historic Preservation (OPRHP). As a result of our analysis of prior archaeological surveys, it is our opinion that the Enterprise Park at Calverton Project is not located within an area of archaeological sensitivity. Therefore, we have no concerns regarding your project's potential impacts to archeological resources, and it is our opinion that an archaeological survey is not necessary for your project.

Sincerely,

Tim Lloyd, Ph.D., RPA
