SUFFOLK COUNTY SHELLFISH AQUACULTURE LEASE PROGRAM IN PECONIC BAY AND GARDINERS BAY

PUBLIC NOTICE

Request for Written Comments on Proposed Shellfish Aquaculture Lease Site Relocation

Notice is hereby given that the Suffolk County Department of Economic Development and Planning has received an application from a Leaseholder, requesting to relocate from its 10-acre shellfish aquaculture lease site in Napeague Bay to a new 10-acre lease site. Pursuant to Local Law 25-2009, *A Local Law Establishing the Suffolk County Shellfish Aquaculture Lease Program in Peconic Bay and Gardiners Bay* (Article II of the Suffolk County Code, §475), leaseholders may request relocation of their leasehold interest for any reason up to two times during the term of the lease. Please note that while this leaseholder has applied for three potential relocation sites, following the site approval process, it will be selecting one site to relocate to and this lease acreage will not be taken from the 2017 Annual Acreage Cap.

All proposed lease sites are located within the adopted Shellfish Cultivation Zone and are available for lease. Pertinent data and information about the Lease Site Relocation Application, including the name of the leaseholder, SCALP reference #, and proposed lease sites are contained in the table below.

PUBLIC COMMENT:

This Public Notice and the locations of the proposed lease sites may be reviewed at the address listed below, or by accessing the Aquaculture Lease Program Website:

<http://suffolkcountyny.gov/Departments/Planning/Divisions/EnvironmentalPlanning/AquacultureLeaseProgram/PublicNotices.aspx>

All comments regarding the lease site relocation application and proposed lease sites must be prepared in writing and mailed to the contact person listed below by close of business on June 12, 2017. Such comments should be targeted to a specific lease site(s) by referencing the applicable Lease Site Map ID #(s), as shown in this Public Notice. The comments should include supporting documentation and data to the maximum extent possible. Those parties raising an objection to the leasing of a particular site or sites based on reasons of natural productivity and commercial fishery, should send a notarized letter, stating the particular reason(s) for the objection. Documentation supporting the claim should also be provided, including a copy of the parties' commercial harvest license, and documentation on harvests and sales, as applicable.
