

Appendix G

Photograph No. 1: Northern view of the entrance to the subject site on Route 58.

Photograph No. 2: Southwestern view of a former parking area on the subject site. Note the presence of an automobile dealership immediately to the west of the site on Route 58.

Photograph No. 3: Northern view of the main driveway into the subject site, which leads to the former Hazeltine building location.

Photograph No. 4: View of the wooded area present along the eastern border of the subject site. Note that the Millbrook Village residential community lies beyond.

Photograph No. 5: Northern view of the foundation of the former Hazeltine building, which is centrally located on the subject site.

Photograph No. 6: Northwestern view of the foundation of the former Hazeltine building. Note that the woodlands beyond to the north and west are situated on the subject site.

Photograph No. 7: Southern view of the vegetative buffer that exists between the subject site and the adjacent automobile dealership.

Photograph No. 8: Representative photograph of single-family residential structures located to the north of the subject site in Foxwoods Village.

Photograph No. 9: Representative photograph of single-family residential structures located to the east of the subject site in Millbrook Village.

Photograph No. 10: Eastern view of commercial uses along the northern side of Route 58.

Photograph No. 11: View of the automobile dealership that is located both to the west and south of the subject site, due to the site's configuration.

Photograph No. 12: View of the Riverhead Raceway, which is located to the south of the subject site on the opposite side of Route 58.

Photograph No. 13: View of a commercial office use immediately to the south of the subject site on the opposite side of Route 58.

Photograph No. 14: View of commercial uses along the south side of Route 58, opposite the subject site. Note that vacant land and residential structures are present to the south and southeast, respectively, of the subject site. The lodging use on Route 58 is visible in the background.

Photograph No. 15: View of a commercial use located to the southwest of the subject site on the opposite side of Route 58.

Photograph No. 16: View of the Applebee's restaurant use, which is located to the southwest of the subject site.

Photograph No. 17: View of the Adchem building (industrial use), which is adjacent to the subject site to the west.

Photograph N. 18: View of vacant land which is located on the corner of Kroemer Avenue and Route 58, which is situated to the southwest of the subject site.
