

**RIVERHEAD WATER DISTRICT**

**\*\* ADDENDUM No. 1 \*\*  
OCTOBER 5, 2015**

Project No.: RDWD 15-51  
Project Name: Installation of Water Mains & Appurtenances  
Stoneleigh Woods - Phase 4  
Bid Due Date: Thursday, October 8, 2015, 3:00 PM  
Description: Scope of Work Clarifications

**CLARIFICATIONS:**

Please note the following during preparation of bid proposals:

1. Bid Item 1B shall include the restoration work associated with the cut-in and installation of water main on the Sunken Pond Estates property. Restoration shall include 2-inches of clean topsoil and sod for the grass regions. The asphalt roadway shall be repaired with crushed stone base, asphalt binder coarse, and asphalt wearing coarse to match existing thicknesses. Restoration limits shall include trenched regions plus any area disturbed by overburden and machines.
2. Bid Item 30A includes all work associated with installation of the new water services, including the water meter pit as detailed on the plans. The water meter is not within the scope of work, as it will be furnished and installed by the Water District.

=====

This addendum forms a part of the contract documents and modifies the original bidding documents. A copy of this signed addendum shall be included with the bid proposal.
